We take customer service very seriously at VoIP Innovations and have a team that's able to support our customers 24/7.

One way that we measure customer service success is through Net Promoter Scores, a brief survey that's sent to customers after they complete a LNP with our Porting Team.. from[https://blog voipinnovations com/vi-porting-scored-90-nps](https://blog.voipinnovations.com/vi-porting-scored-90-nps)
